

Open Doors for Youth is a drop-in resource center for youth 16-24 years old who are currently experiencing homelessness or housing instability. Our mission is to provide these young people a safe place where they may acquire both immediate basic needs and connections to essential community service providers as they move towards positive and healthy networks of support, personal well-being, and housing stability.

Since opening in 2015, we have worked with hundreds of youth from Elk River and the surrounding communities of Becker, Big Lake, Monticello, Otsego, Princeton, Rogers, St. Michael/Albertville, and Zimmerman.

Wish List Items:

- beef jerky-about 1 oz. individually wrapped
- individually wrapped packages of cookies
