

Case Manager Job Description

Organization Summary:

Open Doors for Youth is a small vibrant nonprofit in rural Central Minnesota that serves youth ages 16-24 who are experiencing homelessness or housing instability. We operate a drop-in center in Elk River, MN, and provide outreach to area high schools and surrounding communities. We are staffed by an executive director, two case managers, an administrative assistant, and a contracted mental health therapist. We place a high value on authenticity, connection, and belonging across the organization. Open Doors for Youth serves approximately 85 individual youth per year.

Mission

To create a welcoming and safe environment for youth experiencing homelessness, where working together we remove barriers, empowering youth to move towards positive and healthy networks of support, personal well-being, and housing stability.

Job Summary:

- Knowledge of and experience using a trauma-responsive approach when working with youth, including de-escalation, co-regulation, and harm reduction.

- Ability to develop trusting, consistent, supportive relationships with youth while maintaining professional boundaries.
- Understanding that youth work is nuanced, and requires a flexible and non-judgmental approach.
- Willingness to engage authentically with team members.
- Maintain a high level of personal integrity and confidentiality.
- Ability to adapt quickly and be flexible in changing situations, ability to navigate stressful situations well.
- Excellent time management skills, organizational skills; self-motivated and detail oriented.
- Show leadership, thoroughness, and sound judgement when problem-solving and making decisions.

Responsibilities:

- Conduct youth intake and determine basic and crisis needs, as well as long term needs.
- Assist youth in identifying goals in the areas of education, employment, housing, and well-being. Conduct regular follow up to assess progress on goals.
- Track youth outcomes and progress, maintain daily case notes, documentation, and data collection in the case management database.
- Coordinate care and advocate for youth with community service providers.
- Develop an effective working relationship with community service providers and school personnel. Possess working knowledge of basic programming and services offered.

Qualifications:

- BA/BS in social work, education, or related field, or 2-year degree in human services, or extensive experience in lieu of degree.
- Experience working with youth experiencing homelessness or housing instability, or experience working with youth who face other barriers or discrimination.

- Knowledge of county benefits and social services programs.
- Knowledge of addiction, mental health issues, domestic violence, and human trafficking.
- Proficiency with Microsoft Office, email, data management and general computer usage.
- Ability to work well independently as well as part of a team.
- Valid driver's license and insurance.

Pay and Benefits:

- Hours per week range from 26-40 hrs/wk. based on qualifications and experience
- The pay rate for case manager is \$24/hr - \$26/hr, based on qualifications/experience
- Benefits include PTO, paid holidays, annual wellness benefit, annual IRA contribution
